## Education

Nov 2015 — Jul 2018

TURIN

### Accademia Albertina di Belle Arti di Torino

Bachelor

3 years in the major of Vision Art and Graphic design. Mostly worked on the advertisements and vision design.

Good command of design software ,typography,and make Exhibition brochures

Oct 2018 — Nov 2020

MILAN

### Nuova Accademia di Belle Arti Milano

Masters of art

Still study in the major of Arti Visive e Studi Curatoriali, and will further study curatorial language, literature and philosophy.At the same time, I work as an artist. Works to visual, photography, video - based. In the postgraduate stage, I tried to carry out curatorial practice on campus, thinking and constructing exhibition language from the perspective of curators. Focus on modernism, feminism, and post-colonialism. I hope to have more opportunities to participate in the planning of actual exhibitions and apply what I have learned to practical work.

## Internships

Jul 2018 — Oct 2018

Canton China

### Internship of design and curator department at Canton art museum

During my internship in the art museum, I was engaged in graphic design in the design department, helping artists with the cover design of their works and the typesetting of their works. During the exhibition period, help to display the artwork statistics and furnishings.
