

# ELENA SEMENZATO

PHOTOGRAPHER | CONTENT CREATOR

## PROFILE

I'm a freelance photographer from Venice, Italy. **With photography I valorize the beauty and uniqueness of food, people and places.** It's so important to use natural light and the communication of local experiences.

## PROFESSIONAL EXPERIENCE

### Freelance photographer

Visual communication of restaurants, artisans, companies, locations, and artists. Specialized in food, product and interior photography. My goal is to convey the true essence and uniqueness of a business.

### Architect | Interior Photographer Studio Giallombardo

Architecture and styling projects, choice of materials, building permits, relationships with suppliers and customers.

After this first period, **I've decided to concentrate my work only on interior design photography:** houses, bar & restaurants, museum, conference room and hotels. Some of **my photographs were published on "Atelier Magazine"**.

### Registrar | Exhibition Photographer Accademia's Galleries (Exhibition Office)

Organization of exhibitions and contacts with national and international lenders, in the planning and realization of cultural events.

**Photography storytelling** of the exhibition "Philip Guston and the Poets" curated by Kosme de Barañano.

### Architect | Photographer Artificial Architecture Paris (France)

I've worked also as **photographer** about the documentation of a project for a theatre.

### Architect Architecture Studio | Mocchi and Zanetti
