2015 | 2020

## RESEARCH

Firstly, the use of different media and techniques of visual and multimedia arts to develop works that influence different senses of the viewer. Secondly, it is important for my work to show the presence of collaboration for each work carried out, which can take place by collaborating with another artist or the "public", which can either be aware or not of their participation.

Accademia di Belle Arti di Roma  
interactive installation for European  
night of researchers.

A collaboration between ABA Roma  
e INFN Roma Tre

“Collisions”

with Cristian Rizzuti, Biaggio Di  
Micco, Giulia Ciappi, Eleonora  
Scarponi, Walter Maiorino
